

Youlbury Scout Activity Centre

Personal Kit List

During your stay, all technical equipment will be supplied for each of the activities.

As a great deal of the course will be based outdoors, there is a good chance of getting wet! You therefore need 2-3 complete sets of outdoor clothing. You will also need everyday clothes for wear around the centre.

Check your labels!

The biggest problem in the 'outdoors' is keeping warm, particular when damp or wet. Some types of materials are good for this (polyester and other synthetics) and others are poor (e.g. cotton). Therefore, jeans, cotton T-shirts and cotton jogging bottoms should be avoided.

Please ensure that all clothing and personal items are labelled with your children first and second name.
