

6<sup>th</sup> March 2019

Dear Parents,

Year 6 Maths homework club

In addition to our regular Tuesday night homework club, we are running 4 maths workshops on Thursday after school until 4pm. Children are welcome to all or some of these sessions. During the sessions, there will be opportunities to ask for support and advice from the adults present.

**Thurs 28<sup>th</sup> March: place value**

**Thursday 25<sup>th</sup> April: four operations including word problems and negative numbers**

**Thurs 2<sup>nd</sup> May: Fractions, decimals and percentages**

**Thurs 9<sup>th</sup> May: Any topic your child would like to revise**

Please complete the attached form and return it to school by Thursday 14<sup>th</sup> March in order that we can produce sufficient copies of work and supporting resources for the number of children attending each week.

Thank you

**Mrs Sellars and Mrs Mead**

---

**To Year 6 Teachers:**

**I give permission for my child to attend the following maths workshops (running until 4pm):**

**Tick each session which you wish your child to attend and return the form to school by Thursday 14<sup>th</sup> March. Thank you.**
