

Wednesday 3rd July, 2019

Welcome to Year 6
Common Kingfisher Class (Mr Dunsdon)
River Kingfisher Class (Mrs Sellars)

Our first topic in September is:

Geography
Contrasting Locations
Philippines, Brecon Beacons, Swindon

For your holiday homework we would like you to prepare a piece of research about one geographical aspect of the Philippines or the Filipino people.

You may present your work in any suitable format and brightly coloured in order to be displayed in school; this could be a 3D model, a poster, an information booklet or possibly a video presentation or poetry recital. It should reflect your highest standard of work and be something of which you can be deservedly proud.

Some ideas of areas of physical or human geography of the Philippines that you may like to research include:

- Tourism
- Agriculture
- Wildlife
- Traditional clothes
- Sea life
- Volcanoes

You will need to hand this homework on the first day of the Autumn term (Tuesday 4th September).

We would like to wish you and your family a happy summer break and we look forward to seeing you in September.

Mrs Sellars and Mr Dunsdon
