

Message from Mrs Millsop:

We are two weeks away from the Easter break. Term End is always busy!

During the final week of term we will have spirituality Assemblies where children will share their learning about our value, Courage. Year 4 are busily preparing their performance to parents and we are delighted to be using the new staging which has enhanced the existing staging. This additional resource makes a difference, so thank you for the PTFA organisation and the generosity of the school community. During the final week, Celebration assembly will be held on Thursday 30th. Children who have birthdays during the holiday will be able to wear their own clothes that day. On Friday 31st, there will be our annual Easter Assembly where we tell the Easter week story. Children will be encouraged to participate in Easter Hat parade as well as our long-standing tradition of Egg rolling. Information on PA Connect

News

Young Carers: 15th March was young Carers Day. Mrs Walker has worked with Young Carers across the school and they delivered a mini presentation to their class about this special role they have in their families. Thank you to Mrs Walker for her leadership and work with this group of children

Sport: The Girls Football team met with more success this week and representatives for Y3 and Y4 gave their best efforts to the Gymnastics competition at Abbey Park this morning too. Fencing Club children have achieved bronze level, showing that they have made progress with their skills.. We are fortunate to have the have a variety of opportunities for children to participate in. Thank you Mr Jones for your enthusiasm and organisation.

Values: COURAGE

Mrs Keane led our Monday worship this week. She continued to explore with the children the idea of spirituality and how reflecting on the 'ows' of life helps us to develop as people. Christians believe that God is with them at those moments, to help them through those difficult times. In class time children have thought about what they think might help them cope with the 'ows' of life.
