

## Message from Mrs Millsop:

Year 1 have had a very exciting week. They had a lovely day out on Thursday at the Cotswold Wildlife Park. This trip linked to their learning on animals and how we can group them. The children enjoyed a talk from one of the keepers and were able to answer lots of questions. The Year 1 children have also taken part in a wheelie day today.

Nursery enjoyed their Sports day today. The children took part in a range of races including egg and spoon, welly wanging and a dress up race. Thankfully the weather was kind and they were able to picnic together for lunch. Thank you to all that attended and to PTFA for providing ice lollies. The rest of the school are very much looking forward to their Sports afternoon on Friday 14th July when we also welcome families to join us for a picnic lunch.

## Values: SERVICE

Mrs Farrell visited us in school this week to lead Collective Worship. She talked to the children about our value of service and how this can sometimes be shown through Forgiveness. She talked to the children about the Bible story The Prodigal Son and asked the children to reflect on the key question: *How can forgiveness be a way to show service?*
