

Personal, Social and Emotional Development

- Bring in a picture of something new that you have tried.
- Make a poster about how we can be kind to each other.

Physical Development

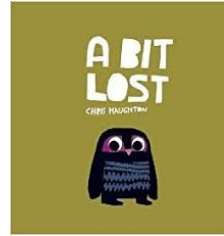

- Practice colouring inside the lines—use any picture that you would like to colour.
- Can you move like different animals? e.g. creep like a mouse, jump like a rabbit

Communication and Language

- Learn a nursery rhyme to share with your friends.
- Think of a woodland animal. Give clues about it to a friend or family member to see if they can guess your animal.

Literacy

- Choose your favourite woodland animal and use books or the internet to find out some interesting facts to share.
- Find objects that begin with the sounds that we have been learning in phonics and draw them.

Reception Autumn 1, 2023

Pick and mix home learning

A Bit Lost

Our Core text this term is 'A Bit Lost' by Chris Haughton

Our homework sharing day occurs every Friday—Please send us a message on Seesaw with any homework attached so we can share in class.

Core skills to practise at least 5 times a week

- Share a book with a grown up. (Reading records will be given out during w/b 18th September for you to record this)
- Practise learning your new sounds—weekly information about the new sounds will be sent home on Seesaw
- Practise counting and recognising numbers to 10.

Mathematics

- Learn a counting rhyme to share.
- Who has got the biggest hands or feet in your family? Make hand or foot-prints, and then order them.

Understanding the World

- Carry out a survey of the birds, animals and insects that visit your garden.
- Make some animal biscuits then bring in the recipe to talk about how you made them.

Expressive Arts and Design

- Make a collage using natural materials that you have found.
- Make a home for a teddy or small toy—take a photograph to bring in and share.
