

Year 3 Homework Planner: Spring Term 1 2024 - Stone Age to Iron Age

1. Please aim to do **at least 2** of the following activities daily:

- Reading - Spelling - TTRS.

2. ALL children **MUST** complete these 3 activities below: the spelling homework, the reading comprehension task, and the Growth Mindset activity.

3. Then complete at least 2 of these Stone Age themed activities. Post completed homework on Seesaw by Friday 9th February.

Reading Comprehension:

Heaviest Car Balanced on the Head

Answer the questions on the attached document.

Metacognition— with your family complete the activity on the attached document—
Signature Handshakes

Spelling task:

Create a game to help you practise contracting the following words using an apostrophe: could not, should not, have not, they had, we had, I would, I have etc. You could make a matching game, word search, crossword etc.

History-

Create a poster showing all you have learnt about the Stone Age to Iron Age.

History-

Stone Age people made jewellery out of animal bones and teeth. Can you create some of this jewellery using beads or stones? You could always draw these if you don't have the materials available.

English-

Using the words STONE AGE, create an acrostic poem which includes different information that you have learnt already.

History-

Research some different animals that were around in the Stone Age. Create a fact file on these animals.

Art-

Experiment with creating paints using natural materials eg: leaves or spices and baking flour to form a paste. Create your own cave art! Make sure it tells a story e.g. your favourite holiday.
