Please ask the leader of your church or a person in a position of authority within the church to complete the other side of this form in support of your application. Please note that we do routinely check and verify and we need to be able to contact the person completing this form before a church place can be offered. Incomplete forms will not be considered for a church place.

If you have not been attending your current church for 2 years, you may ask a minister at a previous church to complete a SIF to cover prior attendance. Definition

The definition of 'at the heart of the Church' is covered in point 16 of the National Society's guidelines. An applicant at the heart of the church would be a regular worshipper. This means one who worships twice a month over a period of at least 2 years prior to the deadline of receipt for applications. To accommodate difficult patterns of work and family relationships account will be taken of week-day worship. The 'applicant worshipper' could be the child for whom application is made or one or both parents.

In the event that during the period specified for attendance at worship the church has been closed for public worship and has not provided alternative premises for that worship, the requirements of these admissions arrangements in relation to attendance will only apply to the period when the church or alternative premises have been available for public worship.
