

Draw picture of your family, then cut and stick them in height order.

Go on a number hunt around your local area. How many different numbers up to 10 can you find? Take photographs to record.

Create a feely bag of objects with different textures from around your home. Can someone else use their sense of touch to guess what they are? What adjectives could you use to describe the objects?

Write about or draw a picture of an animal that lives in a river.

Create a piece of art using leaf rubbings.

Year 1 Homework Autumn 1, 2025

‘There’s no place like home’

Activities completed and **sent in on Seesaw** to your child’s journal page by **Monday, 20th October.**

Please complete at least two activities over this half term.

You only need to spend a maximum of **20 mins per week (not including reading).**

An activity may go over 2 or 3 weeks.

Don’t forget every week to:

1. Read or share a book for 10 minutes every day and write this in your reading record.
2. Use your Numbots login and practise your number facts 5 times per week.

Create an autumn dance. Think about what the leaves do in the autumn and how the animals behave. You might want to use the autumn music from Vivaldi’s Four Seasons.

Our school value this term is generosity. Draw a picture of a time when you or someone else has shown generosity.

Create your own scene with a river, stream or lake - you could make it with Lego, paint, a collage or use materials like Hama beads.

Metacognition family challenge – Smell Detective – see PDF sheet attached.
