

Can you draw a carnivore, herbivore and omnivore?
Write some sentences about where they live, which animal group they are in and an interesting fact.

Can you find out some information about different dinosaurs? Write a fact file or draw and label with sentences describing the different parts of its body.

Find a creative way to practice counting in your 2s, 5s and 10s.

Make a poster to show how we can look after the world around us.

Year 1 Homework

Summer Term 6 - 2026

Digging for dinosaurs

Activities completed and **sent in on Seesaw** by
Wednesday 8th July.

Please complete at least three activities over
this half term.

You only need to spend a maximum of 20 mins
per week on a task.

**(not including
reading, phonics or numbots)
An activity may go over 2 or 3 weeks.**

Don't forget every week to:

1. Read daily and write this in your reading record.
2. Practise your phonics sounds.
3. Keep practising Numbots

Create your own dinosaur—you could make biscuits, cakes, a collage or use materials like hama beads?

Value – Respect. Find some stories that show characters being respectful. Why is it important to be respectful?

Make some coin rubbings. Try and find as many different coins as you can.

Research some places in the world where interesting fossils were found. What did you find out?

Metacognition– 'Catch the pennies' challenge– information attached.
