

Design and make your own bridge inspired by Brunel. Create a poster or make a video presentation to persuade people to use it. Retrieve some of the bridge building skills you learnt in Year 1!

Write a short report about the Great Western Railway.

Create a weekly timetable for yourself showing the days of the week, activities that you do at different times of the day and how long each activity lasts.

Look through your favourite story books and see what examples you can find of characters showing our school value of respect.

## Year 2 Homework

Summer 2 – 2026

### All aboard!

Activities completed and **sent in on Seesaw** by Friday 10<sup>th</sup> July.

Please complete at least three activities over this half term.

You only need to spend a maximum of **20 mins per week on a task (this does not include reading, phonics or Numbots).**  
**An activity may go over 2 or 3 weeks.**

### Don't forget every week to:

1. Read daily and write this in your reading record.
2. Practise your Year 1 and 2 every day.
3. Keep practising Numbots every day.

Think about the sounds that you would hear on a train or by the railway. How could you recreate these sounds? Create a short piece of music that captures the sounds of the railway

Create a railway inspired piece of art- work in any style you choose. It could be a line drawing, a painting, a collage or even a sculpture!

Explore how surfaces affect movement, using toy cars on ramps with materials like carpet, foil, and bubble wrap to test speed. Choose a way to share your results with us. What did you find out?

**Complete the family Meta Challenge attached.**
